

DEDICATION

I dedicate this project to the almighty God for is grace, mercy , wisdom and strength giving to me, throughout my academic journey.

This work is also dedicate to my beloved parents who love, support and sacrifice their time for me and make it a success.

Lastly to my brother and sister thank you for your encouragement and inspiration.

ACKNOWLEDGEMENT

First and foremost, I give thanks to Almighty God for His grace, strength, and protection throughout the duration of this project and my entire academic journey.

I sincerely appreciate my beloved mother (**Mrs.Akinbode Afusat Ajike**) for her love, prayers, moral support, and financial assistance, which have been instrumental to my success.

My profound gratitude also goes to my only sister (**Bamidele Khadijat**) for her encouragement, understanding, and support during this academic pursuit.

I am deeply grateful to my project supervisor, **[Mr.Lawal S.W]**, for his patience, valuable guidance, and constructive feedback throughout the course of this project.

Special thanks go to the Head of Department, **[Mr.I.K.Banjoko]**, for providing a conducive learning environment and leadership.

I also acknowledge the efforts of all lecturers in the **Agricultural Technology Department** for their dedication, mentorship, and contributions to my academic development.

I extend my heartfelt appreciation to my friends and coursemates (**FARUQ (FF),Shukurat ,Zulaikoh,Mustapha Oba,Najeebat ,Opeyemi (Bombom),Omolewa,Yetunde(Blenco),Tawakalitu,Mamarokky,Vikthor.**) especially those who supported me academically and emotionally during this project work. Your encouragement and companionship were truly appreciated.

Lastly,To everyone who contributed to the success of this work in one way or another, I say a big thank you.
